Author's Best Works. Jane Addams Book

## 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Jane Addams- The Spirit of Youth and the City StreetsVon JoeWir können das Feuer in der Jugend entweder ersticken, oder wir können es füttern," schreibt Jane Addams.Jane Addams untersucht die Gründe, warum die Stadt-Jugend so unzufrieden ist und tadelt Pädagogen für ihre "beharrliche Blindheit zu den offensichtlichsten Bedürfnissen der Jugendlichen". Addams argumentiert für die Wichtigkeit, die Richtung und Fokus durch die öffentliche Unterhaltung und praktische Ausbildung zur Verfügung gestellt wird.Sie vertritt eine realistische Ansicht von grundlegenden sozialen und sexuellen Antrieben und ihrer Abgeneigtheit und Entfremdung in einer Industrielwelt. Zur gleichen Zeit weist sie die erblichen Erklärungen für die Kriminalität zurück, die zu ihrer Zeit vorherrschte.

KurzbeschreibungThis interactive digital edition includes: Interactive Notes and Chapters, News about the Author, News about the Book, a very interesting Tag cloud of the Book and a link to connect to the Goodreads community to ask questions and share comments and opinions. This ebook contains a detailed bibliography including all the publications of the Author. "The Spirit of Youth and the City Streets" was published in 1930 by Jane Addams. Jane Addams (September 6, 1860 May 21, 1935) was a pioneer American settlement social worker, public philosopher, sociologist, author, and leader in women's suffrage and world peace. In an era when presidents such as Theodore Roosevelt and Woodrow Wilson identified themselves as reformers and social activists, Addams was one of the most prominent reformers of the Progressive Era. She helped turn America to issues of concern to mothers, such as the needs of children, local public health, and world peace. She said that if women were to be responsible for cleaning up their communities and making them better places to live, they needed to be able to vote to do so effectively. Addams became a role model for middle-class women who volunteered to uplift their communities. She is increasingly being recognized as a member of the American pragmatist school of philosophy. In 1931 she became the first American woman to be awarded the Nobel Peace Prize and is recognized as the founder of the social work profession in the United States. Chapters:DescriptionBiographyIndexForewordThe Spirit of Youth and the City StreetsI. Youth in the cityII. The Wrecked Foundations of DomesticityIII. The Quest for AdventureIV. The House of DreamsV. The Spirit of Youth and IndustryVI. The Thirst for RighteousnessBibliographyKurzbeschreibungThis interactive digital edition includes: Interactive Notes and Chapters, News about the Author, News about the Book, a very interesting Tag cloud of the Book and a link to connect to the Goodreads community to ask questions and share comments and opinions.
