Amazing Christian TopicsVon fritz FratzThis book covers some amazing and often undealt topics in Christianity. Not

being a Theologian I cannot reach a conclusion as to whether the author posits questionable doctrines therein, but it certainly is an amazingly interesting read. The topics are all thought provoking, and biblical references are generously cited throughout. Practical insights into the following topics (not a complete list) include: Satan, Fallen Angels, Demonism, Spirits in Prison, Soul Sleep, Natural law in the Spirit World, Spirit Transformation, Resurrection and Judgement. Book is illustrated with wonderful charts and drawings. Excellent addition to any Christian and or Spiritual Library. I could not put it down and finished this in a day! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Gifted and illuminating charts visualising Scripture Von andrew@central.co.nz Larkin, a gifted draftsman, has produced a marvelous work illuminating the Holy Scriptures. Prophecy is a major theme with the books of Daniel and Revelation being key - wonderful clarity being afforded to each. Larkin is pre-tribulationist, pre-millenianist and (obviously) dispensationalist. A must for any prophetic student!

Also available from Cosimo Classics: Larkin's *The Second Coming of Christ*, *Rightly Dividing the Word*, and *The Book of Revelation*.
