**Von Dom Lorenzo Scupoli : The Spiritual Combat: For the 21st Century Christian (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Spiritual Combat: For the 21st Century Christian (English Edition):

Kurzbeschreibung How do I actually overcome temptation? What is it to be a Soldier of Christ today? What is Christian Meditation and how do I begin? How to I acquire a virtue such as apostolic courage? This is the book St. Francis de Sales carried with him everywhere. Scupoli's hard-hitting teaching brought the great preacher to holiness and it can do the same for us today! Revised and diligently compared to the originals and other major translations, we hope our brand new version will become a classic in its own right. Our edition is also the size of a Hard Cover for easy reading. If you represent a Charity that serves the people of God why not "Adopt a book" and receive a portion of the profit of every title sold to help your ministry or mission. Pressestimmen "This great spiritual classic has influenced Catholic and Eastern Orthodox spirituality for four hundred years. Its republication is part of the new surge of interest in reforming Catholic life and practice." -- Fr.
