Excellent Prayer GuideVon Ein KundeThis book is one of the few books that I re-read periodically. It is an excellent guide to pray. It builds your faith to believe. It has excellent examples of answered prayer. It also has sample prayers to pray for loved ones.This book is packed with wisdom. Each time I read it, I learn something new. Other than the

Bible, it is THE SOURCE for learning to pray effectively.

KurzbeschreibungGod's Word is the strongest weapon in a believer's spiritual artillery. Quin Sherrer and Ruthanne Garlock, bestselling authors of *A Woman's Guide to Spiritual Warfare*, believe that when Christians use the Bible in intercession and warfare, they bind the power of the evil one and declare God's promises and victory for their lives and for those they love. In *The Spiritual Warrior's Prayer Guide*, they show the reader how to apply biblical promises to every area of life, whether in illness, financial trouble, depression, concern for wayward loved ones, unemployment, or spiritual confusion.
