**Von Howard Pyle : The Story of the Champions of the Round Table (Illustrated) (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Story of the Champions of the Round Table (Illustrated) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. one of Pyle's amazing works Von Deborah Macgillivray If you can find this in any addition, though the hardback is very nice gift, it is a great addition to any Grail Lore Collection. Pyle did so many books great books on the Medieval Myths and Legends. First published in 1905, Pyle wrote and illustrated his own tales, such as Lancelot, Tristram Isoult, and

Percival. The pen in and ink drawing are simply amazing and so bring alive his stories. Highly recommended for those interested in tales of the Round Table. Hopefully, with the interested Tolkien's Rings, it will reawaken a hunger for these tales of chivalry, of valour and those willing to stand and fight in what they believe. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nicht komplett, aber schön Von Ein Kunde Entzückendes altes Englisch, leicht verständlich (:es passiert, wie man weiß, sowieso in der Regel immer das Gleiche). Lancelots Werden bis zu seinen Abenteuern in Kay's Rüstung (incl.), Tristram (=Tristan) von Anfang bis zum Ende, ohne u.a. seine Eskapade mit Isolde de La Blanche Mains, das Werden Percivals bis zur Enthüllung seines Namens an der Tafelrunde. Laut zu lesen! Dies Buch macht definitiv Appetit auf Sprache. Die Atmosphäre mittelalterlichen Rittertums ist dicht gestrickt. Politisch viel korrekter als Malory, außerdem betont jugendfrei. (Hier sind - bis auf die Schurken - alle "unschuldig".) Reprint der Ausgabe von 1905, Pyles Illustrationen runden die Sache ab. (Obgleich ich sagen würde: Im Schreiben fast zeitlos, als Illustrator eher zeitgebunden (naiver Jugendstil).) Ay! A.F.

Kurzbeschreibung (Illustrated) The distinguished American artist Howard Pyle undertook to retell and illustrate the legend of King Arthur and the Knights of the Round Table. His work has long been considered one of the outstanding interpretations of the Arthur cycle. The Story of the Champions of the Round Table recounts the full and moving saga of three of Arthur's famous knights: Percival, Tristram, and Launcelot of the Lake. The magnitude and diversity of his work eludes definition. Creative artist and born storyteller, each aspect of his twofold genius enriches and interprets the other. Kurzbeschreibung (Illustrated) The distinguished American artist Howard Pyle undertook to retell and illustrate the legend of King Arthur and the Knights of the Round Table. His work has long been considered one of the outstanding interpretations of the Arthur cycle. The Story of the Champions of the Round Table recounts the full and moving saga of three of Arthur's famous knights: Percival, Tristram, and Launcelot of the Lake. The magnitude and diversity of his work eludes definition. Creative artist and born storyteller, each aspect of his twofold genius enriches and interprets the other. Synopsis The spirit of the ancient Arthurian legends is captured as the romantic adventures of Launcelot, Tristram, and Percival are recounted.
