Von Ein KundeThis book shows how satan attacks, his goals, and what our best defense is for that type of attack. There are good examples with explanations from the bible. There is a section on how to live by faith, and how to put on the full armor of God, all step by step, and verse by verse. I could tell that someone did not want me to read this, as I was constantly called away during reading, and once I had to look for it for an hour! The enemy does not want you to read this! As it says in the book, if you are not ready to fully join the spiritual battle, stay on the sidelines. Great Book for the size and price. Good reference!0 von 0 Kunden fanden die folgende Rezension hilfreich. We Are Winning the Battle, one soul and body at a time Von L. HaneyI have been in the exorcism/sanctification and purification work for over 17 years now. There is much that is learned out in the field, but learning from others via book form also lends powerful and trust-building insights into this work. Also recommended for the Deliverance book shelf. The Power of Divine: A Healer's Guide - Tapping into the Miracle by Tiffany Snow, and A Comprehensive Guide to Deliverance and Inner Healing by John Loren Sandford, Mark Sandford. We need to stand side by side, in Love and Faith as we battle the Fine Fight. Learn all the machinations, and Go Forth!0 von 0 Kunden fanden die folgende Rezension hilfreich. Great insights for resisting the enemy's attack. Von M. GrosserDon't enter the battle blindfolded! You have to know and understand the enemy in order to prevail. Easy reading laced with verses to back up the author's strategy. This book gives proactive Biblical insights to resist and overcome Satan's attack. He that is in us is greater than he that is in the world!

BuchrückseiteA timeless classic on the strategies of Christian warfare. This book is a manual of arms for the Christian soldier. It is not a devotional reader for the believer who has gone AWOL. It is a deadly serious guidebook for dedicated Christians who are on the battlefield and want to know how to win. Warren W. Wiersbe discusses basic biblical instruction on defeating the strategies of the devil. Centering his material on Satan's attacks as a deceiver, destroyer, ruler, and accuser, Wiersbe emphasizes conquering the enemy by obeying God's truth. Chapters are included on defeating the devil in the church and in the home.
