myself. Honesty is a must. I had not seen myself through the eyes of truth. The truth will set you free. This book is about the inside of you. If my heart is right with Christ then I will strive to be like Him. This book helped me to look at myself spiritually. It will help you become more concerned with the beauty on inside instead of the physical beauty which so many are concerned with today. I want to be a beautiful woman on the inside and the beauty will shine through. My Thanks for reveiling God's truth for me.1 von 1 Kunden fanden die folgende Rezension hilfreich. This book read my MIND!Von MMcd040280@aol.com, Michelle B. McDougal.This book is excellent. Lisa walks you through pages of reflections of her life and inturn has you do the same of your own. I was so blessed and inspired when I finished this book. To those who are going to buy this book, (and I highly recommend it, as a matter of fact, I am ordering copies as gifts right now) find a quiet place, search your heart chapter after chapter, and rid yourself of that OLD baggage and find a new way to think about yourself and others.God has really opened my mind to the way we as women should measure ourselves and stop focussing on our outer-self so much.0 von 0 Kunden fanden die folgende Rezension hilfreich. A must for every woman!Von LenaThis is a great book for women, who want more of God and want to see themselves from God's perspective.

KurzbeschreibungIt's time for every woman to discover her eternal value!Best-selling author Lisa Bevere unveils the truth of Gods Word and exposes the subtle influences and blatant lies that have held women captive for years. This re-released book deals with two basic questions: How do women fit in or relate to the world around them, and what is the measuring stick of their worth? Women must let go of the past, stop comparing themselves to others, forget the material things, and start embracing Gods plan for their life. This is good, pleasing to Him, and perfect! With the truths of this book in place, every Christian woman can remove the veil, find new freedom, and claim God as the Lord of her future!
