Von Charles Fillmore, Cora Dedrick Fillmore : The Twelve Powers (Unity Classic Library Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Twelve Powers (Unity Classic Library Series Book 1) (English Edition):

This book is thought provoking, when reading Charles' section, and can be put to practical

use via meditation, when reading Cora's section. Since there are two books in one, this is a real bargain. If you can't read the whole book, make sure you read the last chapter when all the powers are placed in a single exercise. You will appreciate the knowledge gained from "faith and understanding.." to "..wisdom and renuciation". Learn how to manage and express the 12 powers and bring them into spiritual reality.0 von 0 Kunden fanden die folgende Rezension hilfreich. Oh my God. I know you like never before.Von Ein KundeI have been a heathen, Did not study the bible as I should. Went to Catholic school but have never read such a powerful, easy to understand book in all of my short life. Truly inspiring. I will read I over and over again.

KurzbeschreibungThe Twelve Powers combines two popular Unity books: The Twelve Powers of Man by Charles Fillmore and a companion piece, Christ Enthroned in May by Cora Dedrick Fillmore.When Charles Fillmore studied the life, teachings, death, and Resurrection of Jesus, he discovered twelve powers that, when developed, can lead to a life of unspeakable joy and glory. Fillmore wrote The Twelve Powers of Man to explain metaphysically these twelve human powers or faculties and the process of regeneration as taught by Jesus Christ.KurzbeschreibungThe Twelve Powers combines two popular Unity books: The Twelve Powers of Man by Charles Fillmore and a companion piece, Christ Enthroned in May by Cora Dedrick Fillmore.When Charles Fillmore studied the life, teachings, death, and Resurrection of Jesus, he discovered twelve powers that, when developed, can lead to a life of unspeakable joy and glory.
