Von Desiree Jaeger-Fine, Toni Jaeger-Fine : The US LLM: From Whether to When, What Where (Mastering The Master (of Laws)) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The US LLM: From Whether to When, What Where (Mastering The Master (of Laws)) (English

Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Alles, was man zum LL.M. in den USA wissen muss.Von NotariusDas ideale Buch fr alle, die mit dem Gedanken spielen, einen LL.M. in den USA abzulegen. Die Autorinnen decken beide Seiten aus erster Hand ab: Eine amerikanische Juraprofessorin, die ein renommiertes LL.M.-Programm in New York leitet, und eine junge deutsche Juristin mit amerikanischem LL.M.-Abschluss, die jetzt in den USA bei einem Internet-Start up ttig ist. Selbst fr das Zehnfache des unglaublich niedrigen Kindle-Preises wre dieser Leitfaden sein Geld wert.0 von 0 Kunden fanden die folgende Rezension hilfreich. Toller Wegweiser im Dschungel der MglichkeitenVon StudjurDas Buch war, im Dschungel der Studienangebote, eine groe Hilfe fr mich um mich auf das zu fokussieren, was man bei der Auswahl des richtigen Studienortes wirklich bercksichtigen sollte. Ein einfach verstndlicher Ratgeber, der leicht zu lesen ist und einen nicht mit Informationen berfrachtet. Vor diesem Buch war ich mir noch nicht sicher, ob ich es wagen soll fr einen LL.M. nach Amerika zu gehen. Jetzt wei ich es!

KurzbeschreibungMany foreign law graduates are interested in pursuing a US Master of Laws (LLM) degree but find themselves overwhelmed with the mass of disorganized information spread across the Internet. Deciding to apply for, selecting, and finally pursuing an LLM program can be broken down into simple to follow steps that will make the process so much easier. This book shows you how.Its a simple and straightforward guide intended to get you through the process of selecting and applying for an LLM program as efficiently and effectively as possible. This book provides worksheets and easy to follow step-by-step instructions to walk you through the process from choosing a school and program to submitting your application and awaiting a response.The book is divided into four straightforward parts: Part I discusses basic issues you should consider before determining whether an LLM is right for you; Part II discusses the timing of when should you pursue your LLM degree and the process of choosing a law school and a program; Part III walks you through the application process; and Part IV explains what happens after you submit your application.KurzbeschreibungMany foreign law graduates are interested in pursuing a US Master of Laws (LLM) degree but find themselves overwhelmed with the mass of disorganized information spread across the Internet.
