Marvelous Adaptation of Print to AudioVon George R DekleConan Doyle wrote The Valley of Fear in three parts: 1. The Tragedy of Birlstone. 2. A flashback to The Scowrers, and 3. An Epilogue. It had the effect of two separate books united by a commonality of characters and theme. The radio presentation took the tack of of interspersing scenes from

The Tragedy of Birlstone with flashbacks to scenes from The Scowlers. One particularly dramatic segue came when the announcement of the murder of Jack Douglas followed immediately upon John McMurdo's oath never to betray the Scowlers on pain of death. I listen to audiobooks as I commute to work. This one made me late for work as I sat in the parking lot listening to the trapping of Birdy Edwards.0 von 0 Kunden fanden die folgende Rezension hilfreich. The Best Holmes Novel Von Bill R. Moore This is probably the best of the Holmes novels. Like all of them (and the short stories) it is near impossible to put down, and leaves you awestruck at Holmes's genius. Doyle's writing style is extremely impressive as always, his characters seem so very real! This book is believable, a true masterpiece of mystery literature, and in the top tier of the long list of the great English detective stories. It just doesn't get any better than this. Even the long section without Holmes and Watson in it ("The Scowers") is enjoyable to read, and not boring (unlike the Mormon part in a Study In Scarlet). Highly recommended.0 von 0 Kunden fanden die folgende Rezension hilfreich. Elementary My dear Watson Von Prodyumna Goutam This novel is the best of the 4 novels written by Sir Arthur Conan Doyle concerning Sherlock Holmes. Once again dear old Sherlock Holmes is back with his faithful Watson to display his stunning capabilities of detection. The way in which the Pinkerton detective Jack Douglas goes undercover and rounds up the thugs in Vermissa Lodge is fascinating. This is one of those few novels which one cannot put down until you have read the last page.

Kurzbeschreibung Only Holmes and Watson can get to the bottom of this baffling murder mystery. John Douglas is found in his study blasted faceless with a sawn-off shotgun. There is no obvious motive or suspect. Douglas and his wife, Ivy, a rich and locally popular couple, have lived for years in the ancient, moated Birlstone Manor House. Despite Douglas' nightly ritual of raising the drawbridge, a perpetrator had concealed himself, shot Douglas, and made a clean getaway. Does the mystery have something to do with the "interesting" relationship between Cecil Baker, Douglas' only friend from his obscure past, and the surprisingly merry widow? There are plenty of clues, including a brand mark on the deceased arm and the fact that his wedding ring is missing, but not the ring that he always wore above it. (non illustrated) From School Library Journal Grade 7 Up-A coded warning of imminent danger sends Sherlock Holmes and Dr. Watson to the country house of the reclusive Jack Douglas. When they arrive too late to prevent a tragic death, they must follow bewildering clues and find a murderer. Copyright 1999 Reed Business Information, Inc. Pressestimmen`Holmes is a mesmerising creation and Conan Doyle a master storyteller' The Times`The immense talent, passion and literary brilliance that Conan Doyle brought to his work gives him a unique place in English letters' Stephen Fry
