Von Peple, Edward : The War Dog before purchasing it in order to gage whether or not it would be worth my time, and all praised The War Dog:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. This book was not to my liking, it might be to yours!!!Von Ein KundeWar Dog is a great story for young readers interested in dogs and history. Jet, the black lab will probably be remembered by reading this novel by Martin Booth. She is in WW2. I found this book was okay, but I have read better books about animals. This book basically describes Jet's life as a normal dog. This book was actually pretty informal, although I still disliked it very much. If your more of a

history type person and you like animals, War Dog is for you! Jet is very courageous and kind throughout the book. She helped many people, who were depending on her. First, she was taken away from her original owner who is an English poacher named Fred. She goes through three owners until she is sent home to England for good. So, I really wouldn't read War Dog again, but maybe you would!

0 von 0 Kunden fanden die folgende Rezension hilfreich. A good book about a dog

Von Ein Kunde If there were more stars I could choose, I would give War Dog 20 stars, for Martin Booth's fantastic writing and good plot. This book is a gripping fast-paced story, full of authentic detail. I think the dog Jet is a very interesting dog. She soon catches the reader's love. The story takes place in World War II. The horrors and dangers of war are not portrayed. I like this book because it's about a black Labrador, Jet, trained by a young English poacher, who serves her country and becomes a real war hero. This is novel for dog lovers like me; actually this book is good for everybody.

0 von 0 Kunden fanden die folgende Rezension hilfreich. A realistic and exciting story for dog lovers

Von Ein Kunde This novel was one of the best books I've read in a while. The main character is a black Labrador named Jet who is separated from her owner when he's arrested for poaching right before WWII. Jet is requisitioned by the Army and begins her adventure in Dunkirk where she and Turpin (her new handler) fight against the Germans. She is soon moved to England and then to Italy where she saves many lives and becomes a hero. There weren't any dull parts in the story, and I also learned a lot of history. I'd recommend this story to anyone, young or old, who loves animals and happy endings.

Kurzbeschreibung Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
