Von Theodore Roosevelt : Theodore Roosevelt: An Autobiography before purchasing it in order to gage whether or not it would be worth my time, and all praised Theodore Roosevelt: An Autobiography:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. The only way to really understand what made T.R. tick.Von Richard J. Larrabee (JasperNor@aol.com)Outstanding! This book is a tome of philosophy, adventure, intrigue, and above all, inspiration. Notwithstanding these encomia however, the reader should beware before making a hegira into its noble pages that this autobiography does not follow the

traditional structure of a "biography." Rather it can be described as being a compendium of T.R.'s philosophy on life. The true strength of its pages being found in how T.R.'s experiences and actions staunchly uphold and support his 'vigor of life' and probity which he so often addressed as being fundamental to all good Americans. Accordingly, I suggest a first-time reader of T.R. would be best served by initially reading a more "objective" biography of T.R. (I suggest Nathan Miller's Theodore Roosevelt, A Life) in order to become familiar with the events and time frames involved. This will allow the reader to more appreciate the nature, values and beliefs of the great man as told in this book by the ultimate authority, himself. Along with being completely inspired by a man of such high moral values, the factual anecdotes related in this book comfort you in the knowledge that this hero practiced what he preached. In a speech by his own hand, T.R. embodied his own life; "The credit belongs to the man in the arena, whose face is marred by dust and sweat and blood;...who strives valiantly...who spends himself in a worthy cause; who at the best knows in the end the triumph of high achievement, and who at the worst, if he fails, at least fails while daring greatly, so that his place shall never be with those cold and timid souls who have never known neither victory nor defeat." T.R. was a naturalist, legislator, cowboy, businessman, soldier, author, conservationist, U.S. President, world explorer, and above all an inspirational "doer of deeds." This book eloquently tells the reader why he felt he needed to perform these deeds and what was going through his mind all the while. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Historische Literatur Von Max Schindelbauer Diese Autobiographie des bedeutenden US-Präsidenten Theodore Roosevelt ist ein sehr gelungenes Werk. Roosevelt führte die USA in das 20. Jahrhundert und legte den Grundstein für ihr Dasein als Weltmacht. In diesem Buch erfährt der Leser aus erster Hand, welche Motive Roosevelt leiteten, als er seine (teils umstrittenen) Entscheidungen traf. Trotz des beträchtlichen Alters des Buches ist es bei ausgeprägten Englischkenntnissen gut zu lesen, viele Entscheidungen der damaligen Zeit werden klarer und das bei einer keineswegs ermüdenden Erzählweise des Ex-Präsidenten. Für Interessenten der amerikanischen Geschichte sollte dieses Buch Pflichtlektüre sein, da es in die Denkweise eines der wichtigsten Präsidenten der USA einführt und zudem einen guten Überblick über seine Epoche -die Jahrhundertwende- liefert. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Bully! Von Nicholas Fry Teddy is definitely an egomaniac, but he does write well. He also benefits from a good plot, his extraordinary life. Jolly good read.

Kurzbeschreibung Spanning his earliest remembrances as a child to his historic charge up San Juan Hill, and his years in the White House, Theodore Roosevelt: An Autobiography offers an intimate and telling portrait of one of the greatest statesmen in American history. As a militarist and politician, Theodore Roosevelt accomplished a remarkable list of achievements including forming the Rough Riders, trust-busting companies like Standard Oil, expanding the United States network of national parks, and negotiating the end of the Russo-Japanese War, for which he was awarded the 1906 Nobel Peace Prize. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Synopsis We of the great modern democracies must strive unceasingly to make our several countries lands in which a poor man who works hard can live comfortably and honestly- and in which a rich man cannot live dishonestly nor in slothful avoidance of duty; and yet we must judge rich man and poor man alike by a standard which rests on conduct and not on caste...'
