pages where Mr. Joyner equates the Tree of Knowledge of Good and Evil with the Law; where he came up with this is beyond me. He certainly didn't get it from the Bible. Because of his skewed ideas concerning the Old Testament and in particular the Law, Mr. Joyner proceeded to make numerous exegetical errors. Apart from the awful theology, the book was even more poorly written. It jumps from one issue to the next without transition. There doesn't seem to have been any editing of the manuscript before publishing. I had heard so many good things about Mr. Joyner's teaching that I looked forward to reading this, but now hope this was just a bad book and not representative of his other works. If you want to read a good book on the Christian life, then read Watchman Nee's *The Normal Christian Life*. 0 von 0 Kunden fanden die folgende Rezension hilfreich. THE PERFECT EXPLANATION OF WHY THINGS ARE THE WAY THEY ARE. Von Ein Kunde AFTER 20 YEARS IN THE CHURCH AND WONDERING HOW CHRISTIANS COULD ACT THE WAY THEY DO AND WHY CHURCHES SPLIT, I NOW UNDERSTAND HOW AND WHY THAT HAPPENS. THE BOOK ADDRESSED MANY ISSUES THAT WOULD AT BEST BE CONTROVERSIAL AS FAR AS ANY RELIGIOUS LEADER WOULD BE CONCERNED, BUT IT WENT PAST RELIGION INTO THE RELATIONSHIP WITH GOD AND THE RIGHTS HE GIVES US AND THE CHOICES WE MAKE. THIS BOOK WAS THE BEGINNING OF MY EYES BEING OPENED TO THE SPIRITUAL REALM AND GOD'S ALLOWING US THE ABILITY TO DO WHAT WE WANT AND THE CONSEQUENCES THEREOF. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Deep, thoughtful, and serious - A Christian classic Von Ein Kunde As someone who has read many Christian books, I took special pleasure in this brief volume. It covers many topics, all current, all covered biblically, and it wastes no words. Mr. Joyner has with this single work established himself as one of the significant Christian authors of our time. It is addressed to the believer in Christ who is serious about getting things in perspective: the state of the Church, issues on the horizons, and one's own walk with God. It is a book that tolerates many rereadings.

Kurzbeschreibung The tree of the Knowledge of Good and Evil and the Tree of Life represent the basic conflict between the powers of darkness and the Kingdom of God. This book is a study of the fundamental differences between these two trees, and how they still affect our lives today. As we proceed toward the consummation of this age, the struggle that began in the Garden of Eden will reach its zenith. With each passing day, it becomes more crucial for us to understand the battle that is raging for the heart and soul of every human being. If you are resolved to stand for the truth and to confront the darkness of our time, you will be helped by this book. **Kurzbeschreibung** The tree of the Knowledge of Good and Evil and the Tree of Life represent the basic conflict between the powers of darkness and the Kingdom of God.
