Von Christopher Andersen : *These Few Precious Days: The Final Year of Jack with Jackie* before purchasing it in order to gage whether or not it would be worth my time, and all praised *These Few Precious Days: The Final Year of Jack with Jackie*:

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Fakten und KlatschVon Thomas-Michael StobbeDas Buch ist sehr kurzweilig und es macht Spa, es zu lesen. Manchmal ist es

sehr nahe am Klatsch, aber es ist andererseits auch wirklich gut recherchiert.

Kurzbeschreibung Glamour, power, sex, money. The makings of an iconic love story - or a doomed passion? Bestselling biographer Christopher Andersen casts aside the rumours, the speculation and the conspiracy theories, and takes us on an intimate journey into the heart of the Kennedys' marriage. With consummate skill, Andersen uncovers startling new facts about their affairs - hers as well as his - with the famous, the notorious and the anonymous; he reveals alarming information about the First Couple's shared dependence on amphetamines and the White House's battle to keep their secret; and he unearths fresh details about the assassination and its aftermath, including Jackie's bout with suicidal depression. Extraordinary in its scope, powerful in its insights, *These Few Precious Days* paints an unsparing yet sympathetic and touching portrait of Mr and Mrs JFK in their final year together. This is the ultimate presidential love story in all its frustrating, complicated, bittersweet glory. *Pressestimmen* The opening chapter alone is one of the most graphic, searing things I've ever read. (Liz Smith) "Breaks new ground in its portrayal of the presidents love affairs." (The Daily Caller) Andersen has a real track record when it comes to celebrity bios. . . . He looks at Jack and Jackie Kennedy during their final year, pondering aloud whether after all the triumphs and betrayals they still loved each other. (Library Journal) Very intimate. . . . *These Few Precious Days* is not a mere scandal tell-all. . . . Andersens account carries weight. (Bookreporter) Andersen digs beneath the surface . . . to examine the essential loneliness of both Jack and Jackie, both the products of privilege, both essentially abandoned, and both tough and independent. (Kirkus) Kurzbeschreibung Glamour, power, sex, money. The makings of an iconic love story - or a doomed passion?
